2022 Medical Examination For Osaka Ibaraki Campus

In order to prevent the spread of the new coronavirus infection, the annual medical examination for FY2022 will be conducted with limited items. If you are a working student and have had a workplace health checkup (including chest X-ray and taken in Japan) within a past year, you can replace this checkup by submitting a copy of the checkup to the Medical Service Center (first floor of the building AS). In this case, you still need to answer the web questionnaire.

If you have not had a Medical Examination for over 1 year, you must take one at this time. If you are scheduled to have a Medical Examination at your workplace in the near future, please consult us.

If you do not have a medical examination, you will not be able to issue a medical certificate for the year.

Please make sure to make a reservation. Please be punctual!
