Man:

During the summer vacation, I visited my grandparents with my parents. We stayed with them from July 28th to 30th.

On the first day, we got to their house at 11:30 in the morning. My grandmother came out and said, "Welcome to our house. Come in." I talked with my grandparents about my school life. They looked happy while they were listening to me.

On the second day, we went to a river near their house. My father and I enjoyed swimming in the river. My grandfather tried to catch fish and got six big fish. We went home and ate the fish. They were delicious.

On the third day, I walked around their house with my grandfather. He said, "Come here in fall next time. Let's climb the mountains together. The leaves are beautiful in fall." Now, I'm looking forward to it.
