Woman :

Yesterday, I got up at seven in the morning. It was a sunny day. I went for a walk with my dog.

At noon, I cooked spaghetti with tomato sauce for lunch. I learned how to cook it in home economics class at school. The spaghetti was delicious. Then, I went to Aoyama Park to play badminton with my friend, Mika. We played it for about an hour.

After I came back home, my mother asked me to go shopping for dinner. I went to a supermarket near my house, and bought some eggs and chicken. My mother cooked omelets with them.

In the evening, I practiced the piano. Now I practice difficult music for the piano contest next month. I want to play it well and win the contest.
