

2024年度 学生の学びと成長を支援する奨学金の政策科学部運営方針

政策科学部は、1人ひとりの学生が正課・正課外での様々な学習を通して、政策実践力と政策構想力を獲得し、問題解決指向的な精神を備えたグローバル人材を育成することを目標としています。この目標の実現を支え、励ますしくみとして、正課を中心に学生の学びと成長を支援する以下の3つの奨学金制度を設けています。

「西園寺記念奨学金（成績優秀者枠）」は、正課において優れた成績を修めた学生を褒賞し周囲の規範となることを奨励する奨学金制度です。「+R学部奨学金」は、正課において良好な成績を修め、学部の教学的取り組みや学外での研究発表会において優れた成果を上げたと認められる学生を褒賞し周囲の規範となることを奨励する奨学金制度です。「学びのコミュニティ学外活動奨励奨学金（正課授業）」は、正課授業を単位として主体的・能動的な学習集団の育成を目的とする奨学金です。

Scholarship Management Policy to support students learning and growth for AY2024

- College of Policy Science

The College of Policy Science aims to foster global human resources with solving-problems sprits by helping each student to acquire policy implementation skills and policy planning abilities through various learning experiences in the curricular and extracurricular courses. In order to support and encourage the realization of this purpose, the following three scholarship programs have been established to promote learning and growth for students mainly on the curricular courses.

“The Ritsumeikan University Saionji Memorial Scholarship (Academically Outstanding Students Category)” is a scholarship program that rewards students whose academic performance in their curricula courses is outstanding, and encourages them to become role models for others.

“Ritsumeikan University +R Undergraduate College Scholarship” aims to reward students who have achieved good grades in their curricula courses, and who are recognized for their outstanding achievements in undergraduate academic activities and off-campus research presentations, and to encourage them to become a role model for others.

“Ritsumeikan University Learning Community Off-Campus Activity Encouragement Scholarship (For Curricular Classes)” is a scholarship program that fosters independent and active-learning student groups as a part of curricula classes.
